PROFESSIONAL SUMMARY

Front-End Developer with hands-on experience in building responsive web applications using HTML, CSS, JavaScript, React.js, and Bootstrap. Familiar with Node.js, Express.js, and MySQL. Passionate about creating clean user interfaces and learning modern web technologies. Seeking a Front-End Developer **Internship** to gain industry experience and contribute to real-world projects.

SKILLS

Front-End: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap 5, Responsive Web Design, DOM Manipulation, React Components

Back-End & Databases: Node.js, Express.js, REST APIs, JSON, MySQL, MongoDB

Tools & Platforms: Git, GitHub, VS Code, Postman, WordPress, Vercel

PROJECTS

1. Chat-bot — HTML5, CSS3, JavaScript, React

- Built an AI-powered chatbot with React.js that provides real-time conversational responses through a clean, responsive, and user-friendly interface.

Live Demo: <https://chatbot-project-chi-seven.vercel.app/>

2. QR Code & Barcode Generator — HTML5, CSS3, JavaScript, QR Library

- Built a tool that turns text or links into downloadable QR codes/barcodes instantly.

Live Demo: <https://java-script-projects-itv9.vercel.app/>

3. To-Do List — HTML5, CSS3, JavaScript

- Built a responsive task management app that lets users add, edit, delete, and mark tasks as completed with an easy-to-use interface.

Live Demo: <https://java-script-projects-kj4x.vercel.app/>

4. Ring Size Calculator — HTML5, CSS3, JavaScript

- Built an interactive ring size calculator that helps users estimate their ring size quickly based on measurements with a simple, responsive, and user-friendly interface.

Live Demo: <https://java-script-projects-ring-size-calc.vercel.app/>

Developed and deployed 15+ full-stack and frontend projects, focusing on responsive design, API integration, and clean code.

ACHIEVEMENTS

- Team Leader, University Web Development Team – Led development activities and collaborated with team members on web projects.
- Successfully deployed and maintained 15+ live web projects on Vercel.
- Received a laptop under the Prime Minister's Laptop Scheme, Pakistan.
- Participated in the Riphah International Conference, Islamabad.

CERTIFICATIONS

- WordPress Development Certification — building and customizing websites, managing plugins, editing themes.
- Freelancing from DigiSkills

EDUCATION

Bachelor of Science in Computer Science (BSCS) | University of Lakki Marwat | Expected Graduation: 2028

SOFTSKILLS

- Problem Solving
- Best Communication
- Time Management
- Team Work
- Quick Learning
